

align
id: 406935at7742

```
graph TD; A([align  
id: 406935at7742]) --> B([trim]);
```

This diagram shows a workflow for alignment id: 406935at7742. It starts with a green dashed rounded rectangle containing the text 'align' and 'id: 406935at7742'. A gray arrow points down from this box to a red dashed rounded rectangle containing the text 'trim'.

align
id: 193525at7742

```
graph TD; A([align  
id: 193525at7742]) --> B([trim]);
```

This diagram shows a workflow for alignment id: 193525at7742. It starts with a green dashed rounded rectangle containing the text 'align' and 'id: 193525at7742'. A gray arrow points down from this box to a red solid rounded rectangle containing the text 'trim'.
